Fajarbaru Builder secures RM13.33mil job

PETALING JAYA: Fajarbaru Builder Group Bhd has secured a RM13.33mil contract from Malaysia Airports Holdings Bhd for a project to improve and upgrade a fire engineering system at KLIA Terminal 1 of the KL International Airport in Sepang, Selangor.

In a statement, the construction group said its wholly-owned subsidiary, Fajarbaru Builder Sdn Bhd, yesterday received a letter of award from Malaysia Airports (Sepang) Sdn Bhd for the contract.

The job involves improving and upgrading the fire engineering system, along with other related works, at the existing satellite building, KLIA Terminal 1.

The contract will commence on April 22, 2024 and is scheduled to be completed by March 21, 2025. Fajarbaru Builder shares shed one sen to close at 31.5 sen yesterday on a volume of 3.5 million shares.
